

2024 the 11th International Conference on Mechanical Engineering, Materials Science, and Civil Engineering (ICMEMSCE 2024)

October 18-20, 2024 | Bangkok, Thailand

Welcome to the 11th International Conference on Mechanical Engineering, Materials Science, and Civil Engineering (ICMEMSCE 2024). We are thrilled to announce that the conference is scheduled to take place on **October 18 to 20, 2024**, in the vibrant city of **Bangkok, Thailand**.

ICMEMSCE focuses on the convergence of mechanical engineering and the application of new materials in civil engineering. It aims to facilitate international cooperation and exchange by integrating knowledge from diverse domains such as mechatronics, mechanical design, materials processing engineering, and concrete technology. The conference provides a platform for delegates and members to present and discuss the latest research.

We sincerely hope that all delegates have fruitful and effective deliberations during the conference, leading to increased international cooperation.

Committee Members

Program Committee Chairs

Bruno Barzellay, Universidade Federal do Rio de Janeiro, Brazil
Yasser Mahmoudi Larimi, University of Manchester, UK

Program Committee Co-Chair

Bin Xu, Huaqiao University, China

Technical Program Committee Chairs

Sam H HSU, City University of Hong Kong, China

Publicity Chairs

Yao Sun, University College Dublin, Ireland

Important Dates

Submission (Full Paper or Abstract): March 29, 2024

Notification Date: April 12, 2024

Registration Deadline: April 26, 2024

Conference Date: October 18-20, 2024

Conference Support

Papers submitted to ICMEMSCE 2024 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in the proceedings. And the press will submit all papers to major databases such as **EI Compendex, Scopus** and Scholar.

Call For Papers

Topics of Interest for submission include, but are not limited to:

Mechanical Engineering

- Mechatronics
- Mechanical Strength and Reliability
- Mechanical Control
- Mechanical Vibration and Noise
- Mechanical Systems
- Casting and solidification

Materials Science

- Composites Materials
- Organic polymer materials
- Micro / Nano/Bio Materials
- Materials Machining
- Iron and Steel
- Materials Processing Engineering

Materials Science

- Composites Materials
- Organic polymer materials
- Micro / Nano/Bio Materials
- Materials Machining
- Iron and Steel
- Materials Processing Engineering

More Topics, please check:

<http://www.icmemsce.org/pages/cfp.html>

Submission Method

- Submit by Open conf:
<http://icmemsce.org/openconf/openconf.php>
- Email submission: cfp@icmemsce.org

Note: Please choose a way to submit, do not repeat the submission.
